Joshua Kolbusz

Address: 102 Stonebrook Drive, SC 29016, United States **Phone Number:** 224-704-8553

Email: joshuakolbusz@gmail.com

Summary

Computer Science student who has worked in the manufacturing industry achieving 100+ edited videos and demoing new technology that would allow factory workers to check information on certain parts of the machine much quicker and safer.

Skills

C++, C, Linux, Java, Python, Adobe Premiere/Photoshop, Microsoft Office, Communication Skills

Education

University of South Carolina | Columbia, SC
Computer Science | 08/2023-Now
- Currently completing in a program to pursue a bachelor's degree in computer science
- Relevant courses: Data Structures and Algorithms (CSCE 350), Operating Systems (CSCE 311) Advanced Programming Techniques (CSCE 240)
- Member of Tau Sigma

Midlands Technical College
Computer Science | 08/2020-08/2023
- **Graduated summa cum laude – 3.7+ GPA**
- **Achieved an Associate's Degree in Computer Science**
- Relevant Courses: Unix Operating Systems (CPT 247), Intro to Computer Engineering I/II (ECE 211/212), Intro to Algorithmic Design I/II (EGR 281/283), Statistics for Engineers (EGR 209), Intro to Software Engineering (ECE 240)

Work Experience

Intertape Polymer Group – Nortech Packaging | Blythewood, SC
Continuous Improvement Intern | 05/2022 – 01/2024
- Reviewed production schedules, engineering specifications, orders and related information to obtain knowledge of manufacturing methods, procedures and activities.
- Formulated sampling procedures and designs and developed forms and instructions for recording, evaluating and reporting quality and reliability data.
- Used Augmented Reality combined with a sight machine to check on the machines stability, virtually.

Lowes Foods | Forest Acres, SC
Meat Clerk/Cutter | 12/2020 – 12/2021
- Communicated with customers regarding orders, comments and complaints
